

“Life Together”

A Policy Standard for Ethical Conduct and Safe Boundaries for the Presbytery of Chicago.

Boundary Training Offerings for 2019:

Tuesday, September 17, 2019

12:30 p.m. to 3:30 p.m. (before the Assembly meeting)

**In-person training with Mark Sundby,
M.Div., Ph.D. LeaderWise**

Beyond the basics of “Don’t do that!” and “Never do this!” Drawing upon case studies, self-quizzes, and discussion questions, attendees will engage to consider the ethical and legal dimensions of ministry, along with personal health and well-being; the roles they play in setting healthy boundaries.

This will be the only in-person training in 2019. No pre-registration required; sign-in upon arrival.

There will be two on-line trainings:

May 20th – June 28th

November 4th – December 13th

The on-line trainings run over the duration of a 6 week period of time to give participants time to interact with each other through the comment page. Registration is required. Watch for information in the Connect, at the May 21st Assembly Meeting and on-line at www.chicagopresbytery.org/boundary-training/
